

We offer you a place of:

Worship

The early church entered into worship reading psalms, and singing hymns and spiritual songs. Whether by praise music or the great hymns of the faith, we can gather with other believers and lift our hearts to God.

Fellowship

God had planned for our spiritual formation to take place in the context of the family of believers--the body of Christ. Life transformation often occurs in small group fellowship where we can talk openly about our struggles and victories. True fellowship encourages us to pray, rejoice and weep with one another. It's all about relationships!

Teaching

When Jesus gave His disciples the Great Commission, He commanded them to teach people to "obey everything I have commanded you" (Matthew 28:20). Many in today's culture are biblically illiterate, and this is no less true of students. Our discipleship must include consistent teaching (and discussion) of God's Word.

Mission

The Christian community described in Acts 2:42-47 was attractive to the lost. The believers had found the bread of life and freely shared this bread with others. Our discipleship is incomplete if we do not give Christian students a vision of how they can make an impact on their campus, their community and the world.

Bringing people and communities together as they are transformed and challenged to:

KNOW and experience God through Jesus Christ

GROW and live God's promises through God's Word

GO and serve as Christian Disciples

Helping Children and Youth to:

KNOW Jesus

GROW in God's Word

GO and share the Good News
