

Little Lambs Class - Ages 2 and 3

Little Lambs Class is where our 2 and 3 year old boys and girls experience their first “real” Sunday School Class. Welcomed with abundant love and warm hugs, they learn and play together and are introduced to their “best friend”, Jesus.

Each week they hear an age appropriate Bible story, share ideas, color, dance, listen to music and have a really good time letting the Bible story come to life. A typical session includes art, games, music, the story, and a variety of other engaging activities.

Note: Our goal is to always keep your children safe. For this reason parents and caregivers are asked to use the Check Point System to check their children in each Sunday morning.
