

S.P.A.R.K. Student Ministry

Sunday School

There's not much like coming together with a group of active, imaginative students your age to experience new things and have your world rocked a little bit! That is the environment we strive to create on Sunday mornings during our Youth Connection Sunday school classes.

Sunday Mornings @ 11:00am in the Youth Room (#109).

We study relevant topics, answer hard questions, and actually open our Bibles to find truth so we know that we're not on this rocky journey alone, and that Someone has prepared a master plan for our lives!

Our EXPLOSION and AWAKEN groups are designed to be like gas stations in our student's spiritual lives. We, as leaders and teachers, recognize we can not take the driver's seat (or even the backseat) in the hyperbolas car of a student's life. All we can hope for is to give them the right fuel to go the distance and explain the map to help them not to get off course.

S.P.A.R.K. is fortunate to have some fantastic, insightful, and dedicated teachers.

"It only takes a SPARK to set a great forest on fire" James 3:5
